

Join the Ontario-wide Referendum

To save our local hospital services & Stop the cuts to our community hospitals

For community votes

- 1 Ask your local cornerstore, drugstore, farmers market, seniors' building or other places that have lots of foot-traffic (Canadian Tire, Giant Tiger, grocery store) if you can have a voting station there on Saturday May 28 to help save your local hospital services from cuts. Find a few friends to cover the voting station for the day.
- 2 Order ballots and leaflets from us. We will get in touch with you to arrange where to drop off the full ballot box for counting.
- 3 Make a ballot box. It's really easy! We'll send you a picture.

For workplace votes

- 1 Arrange to hold a vote in your workplace, any day up to Saturday May 28 (earlier is better so we aren't chasing ballot boxes at the last minute).
- 2 Order ballots and leaflets from us. We will get in touch with you to arrange where to drop off the full ballot box for counting.
- 3 Make a ballot box. It's really easy! We'll send you a picture.
- 4 Hold your workplace vote and make sure the ballot box is turned in at least a few days before May 28.

Ballot & Leaflet Order Form

If you would like more leaflets to be distributed in your area, please order them as soon as possible. If possible, please email in your order so we can process it more quickly. Here is the order form:

Please send your ballot and ballot box order for these materials ASAP to the Ontario Health Coalition at ohc@sympatico.ca, or 15 Gervais Drive, Suite 604, Toronto Ontario M3C 1Y8, Tel: 416-441-2502.
