

Please distribute as widely as possible.

Due to overwhelming demand and accessibility issues, we are providing an email- in ballot for the cross-province referendum to stop the hospital cuts. We will not be doing an online vote as they are too easy to corrupt and we want to maintain the integrity of the vote. We are also holding votes in workplaces and in communities all across Ontario. The full list of community voting stations is below the ballot and oath sheet here. Please help out if you can.
