Guest Speaker

Dr. Vincent Lam Author of a biography of Tommy Douglas, Bloodletting and Other Cures and The Flu Pandemic and You, Dr. Lam was an emergency room physician for thirteen years and now works in addictions.

"This is our most important meeting of the year. If we insist that health care and the health of our communities belongs in the public domain then, in keeping with this, we must ourselves adopt processes in which many people bring to bear their perspectives and their wisdom. For our coalition to work, to be effective, to be democratic, we rely upon the engagement and input of our members and supporters. We hope that you will come – and we promise to make it stimulating, interesting, and fun!"
