Best Western Mariposa Inn
400 Memorial Ave., Orillia

WE CAN STOP THE CUTS!

Orillia Soldiers' Memorial Hospital is facing serious cuts. Already this year, a \$5 million funding shortfall has been reported, putting patients, services and staff in jeopardy. In 2015, the geriatric day hospital was closed and 1 operating room, 7 complex continuing care beds and multiple full-time staff were placed on the chopping block. Patient care is at threat from looming cuts.

Working together, we can save our services!

In many communities we have successfully stopped hospital cuts.

Join North Simcoe Muskoka District Labour Council & Ontario Health Coalition to discuss local health care concerns and help plan the fight-back campaign!
