

Ontario Health Coalition

8th Annual Organic Locally-Grown Garlic Fundraiser

The Ontario Health Coalition works to improve the public health system: to reduce wait times and keep our hospitals and community health services vibrant. We believe care should come before profit and all should have equal access to care based on need, not wealth. We work to ensure that these values which underlie Public Medicare are protected and strengthened.

By ordering garlic with us, you are supporting this vital work and you are also supporting local farmers by purchasing fresh, Ontario-grown garlic.

To place an order:

Please distribute this form in your office and among your friends, have people fill it out, collect the money then you can either mail or hand deliver the form and money to the Ontario Health Coalition at the address below.

We only deliver to individuals, organizations or workplaces that submit an order with at least **three** ordered items, and only within the GTA. Delivery is free, and shipping by mail is \$3.00 per unit ordered.

We will also be doing a garlic drop-off in Ottawa in September and we will be bringing ordered garlic to local coalition meetings in Oshawa, Kingston and London in order for you to pick it up there and save on shipping. Your local coalition can also make an arrangement to do this.

You can now pay by PayPal (credit card) online at the OHC store:

<http://store.ontariohealthcoalition.ca/collections/all>

- Please fill out the attached order sheet and submit orders with cash or cheque.
- Please make cheques out to:
Ontario Health Coalition
15 Gervais Drive, Suite 604,
Toronto, ON
M3C 1Y8.
- **Deadline:** We must receive your order by **June 26**. Orders will only be made if the garlic is paid for.

Please note that we are doing things a little bit differently this year:

- We will not be selling garlic throughout autumn, only this summer. This will ensure that all garlic is freshly picked and dried.
- We will make sure that all garlic is delivered or available for pick-up the week of Labour Day (Sept. 2 - 5)

There are 2 options for ordering our garlic. All orders come with information about the local farmers who produced the garlic. All garlic is organic and Ontario-grown.

#1
\$10.00
