

# Town Hall Meeting

Tuesday April 19,  
7p.m.

Emmanuel United Church  
395 Lakeshore Dr., North Bay

The North Bay Regional Health Centre has suffered serious cuts. More than 300 full-time front-line and vital support staff have been cut in recent years, and 60 beds have been closed since 2013. This has negatively affected patient care and increased workloads for all staff. We need your help to restore our valued health care services in North Bay and area.

## Working together, we can save our services!

In many communities we have successfully stopped hospital cuts.

Join the North Bay Health Coalition to discuss local health care concerns and help plan the fight-back campaign!
