(These fees help cover the cost of the venue, speakers and bringing in local health coalitions from across Ontario.)

- The assault on Public Medicare by the Harper Conservative government in Ottawa
- The incursions by private clinics and the private health care industry, and their attempt to bring down the laws that uphold single-tier Medicare in Canada.
- The threat that continued austerity and severe budget cuts mean in Ontario.
- A plan for positive reform to move us off of the defensive and push forward for progressive change.
- A strategy to win that change.

Hotel Rooms

We have reserved a block of 15 hotel rooms at The Annex Quest House, 83 Spadina Rd., a 20 minute walk or 7 minute streetcar ride north of St. Stephen's Community House. Availability will be on a first-come first-serve basis. To book your rooms and get the Ontario Health Coalition rate, call The Annex Quest House at 416-922-1934 and tell them you are booking under the Ontario Health Coalition. You need to identify which nights you are staying.

The house is a beautiful old house converted to a boutique hotel with rooms that are decorated in Indian fabrics and colours with their own en suite bathrooms and copper sinks. It is a bohemian boutique hotel in keeping with the Kensington Market area neighbourhoods. Link here: <http://www.annexquesthouse.com/>

For local coalitions, if you do not have the ability to get funding locally to attend, we will subsidize up to two people from each local coalition to attend. If needed, we will pay for gas, train, or flight, depending on which is most economical and we will cover the cost of accommodation in Toronto. Please contact Natalie Mehra to apply for subsidy. (The Ontario Health Coalition will only cover costs that have been expressly approved by Natalie prior to being incurred.)
