

# PETITION to save Uxbridge Hospital

**TO The Legislative Assembly of Ontario: -**

*WHEREAS the Uxbridge Hospital is struggling to keep its emergency room open past the October provincial election; and*

*WHEREAS the community of Uxbridge fears losing its emergency and other health services at its local hospital as health services are rationalized and restructured across the province*

**WE the undersigned petition the Legislative Assembly of Ontario as follows: -**

*To ensure the provincial government creates a comprehensive and clear plan to make sure small hospitals remain vibrant providers of a range of services, including fully staffed Emergency Rooms; and*

*To ensure that no other smaller or rural community faces the loss of local emergency services or any other services under this or any other provincial restructuring of health services.*
