

# Town Hall Meeting

**Friday April 8  
6:30 p.m.**

Chatham Public Library, 120 Queen St. Chatham

**WE CAN STOP THE CUTS!**

**Our hospitals have faced years of cuts** to staff and beds as a result of inadequate funding by the Ontario government. After a severe round of cuts in 2012, CKHA cut 1 in every 10 remaining hospital beds at the Chatham site. Additionally, more than 50,000 hours/year of hands-on nursing care and vital support services were cut. The Wallaceburg hospital has been gutted by cuts in recent years. It is left with 5 beds and an emergency department only.

**Working together,  
we can save our  
services!**

In many communities we have successfully stopped hospital cuts.

Join the Chatham-Kent Health Coalition to discuss local health care concerns and help plan the fight-back campaign!
