

Ontario Health Coalition

9th Annual Local Organic Garlic Fundraiser

The Ontario Health Coalition works to improve the public health system: to save local health care services, stop cuts and privatization and keep our community hospitals vibrant. We believe compassion should come before profit and all should have equal access to care based on need, not wealth. We work to ensure that these values which underlie Public Medicare in Canada are protected and strengthened.

By ordering garlic with us, you are supporting this vital work. You are also supporting local farmers by purchasing fresh, Ontario-grown garlic.

To place an order:

- Please distribute this form in your office or among your friends.
- Please fill out the attached order sheet and submit orders with cash and cheque.
- You can now pay by PayPal (credit card) online at the OHC store:
<http://store.ontariohealthcoalition.ca/collections/all>
- Please make cheques out to:
Ontario Health Coalition
15 Gervais Drive, Suite 604
Toronto, ON M3C 1Y8
- Deadline: We must receive your order by July 31. Orders will only be made if the garlic is paid for.

NOTE: We deliver to individuals, organizations, or workplaces that submit an order with at least three ordered items, and only within the GTA. Delivery is free. Shipping by mails is \$3.00 per unit ordered.

We will also drop-off garlic orders to local coalitions in September in Ottawa, Oshawa, Kingston, London, Windsor, Sarnia-Lambton, Chatham-Kent, and North Bay. You can pick-up your garlic in these towns at the first coalition meeting in September to save on shipping costs.

There are 2 options for ordering our garlic. All orders come with information about the local farmers who produced the garlic. All garlic is organic and Ontario-grown.
