

WARNING

Doug Ford's new health care legislation will privatize & impose mega-mergers on health care

The new legislation Doug Ford worked to keep secret from the public will:

Sell vital health care services to private for profit corporations

Impose costly mega-mergers that put our local services and hospitals at risk

Privatize our health care system

IF WE DON'T STOP IT

TAKE ACTION

Improve Public Health Care

TELL DOUG FORD: No to Cuts & Privatization
