May 30 Protest Bus Registration

This form is for people who are booking and filling buses to come to the protest.

If you just want to *get on* a bus please sign up at <https://forms.gle/nAjs3Azf3wrQ6UrC9>

If you are *organizing* a bus from your community, please register the bus with us so we can send you a bus captain's package. Please fill in this fillable PDF form and submit it to the Ontario Health Coalition by email at info@ontariohc.ca.

When you send in your registration, the Ontario Health Coalition will send you a bus kit by email to the contact information you have provided below. Your bus kit will contain a bus number, a sign-in sheet (so you can make sure everyone makes it back on the bus for the return trip), general bus instructions, parking information and driving directions. We will send out the bus kits in early May.

TORONTO: Gather at noon at the south side of Nathan Phillips Square across from the Sheraton, 123 Queen St. W. We will march from there to the Ontario Legislature at Queen's Park. There is a designated space at Queen's Park for people with mobility issues—we will be at Queen's Park at 1 p.m.
