Ontario Health Coalition calculations from: Canadian Institute for Health Information, Data Table: *Hospital Beds Staffed and in Operation 2022-2023*. Population statistics from CIHI, *National Health Expenditures Database 2024*.

Hospital Beds Per 1000 (Population) in 2022

*Note from CIHI: Bed counts for Saskatchewan hospitals may be overstated due to data quality issues, resulting in an underestimate of hospital occupancy. Interpret with caution; numbers are currently under review.
