## Urgent Town Halls on the LHINs and Health Restructuring

The Ontario Health Coalition and local health coalitions are holding cross-province public meetings. All providers, health professionals, healthcare workers, patients, caregivers and community members are welcome to share information on the analysis of the LHINs legislation, the upcoming strategic plan for the health system and restructuring implications, and ways in which community members can have an impact. We have already had successful meetings in Kenora, Kingston, Sudbury, Peterborough, Oshawa, Thunder Bay, Toronto and others.
