## Save Public Medicare! Information

The Ontario Health Coalition and local health coalitions across the province are organizing steamroller/bulldozer events for March 2 and March 3 to protest the undemocratic nature of the Liberal government's intention to push through LHINs legislation that the Minister, cabinet and their appointees in LHINs major new powers to order health restructuring including mergers, closures and contracting out.

Please find below the list, to date, of local events. As soon as we have more locations, we will let you know.
