**ACTION  
ALERT**

## **Save Public Medicare! Information**

## **First Ministers' Meeting Negotiation**

### **Ontario Action Item**

To ensure that the Ontario government hears our key messages, please take a minute to contact Dalton McGuinty at his office (contact information below).

#### Key messages:

- we are disappointed that he is breaking his election promise to stop for-profit health care. We want him to live up to that promise.
- we want him to support strings and standards attached to funding of healthcare
- we want the principles of the Canada Health Act to be enforced and to cover any new homecare & pharmacare programs
- we want him to ensure home support services are covered publicly in Ontario
- we want to see meaningful cost controls for drugs

#### **Send your messages to:**
